

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF CINCINNATI)	
BELL LONG DISTANCE, INC. TO PROVIDE)	CASE NO. 92-432
A NEW SERVICE CALLED TRAVEL LINK)	

O R D E R

On September 15, 1992, Cincinnati Bell Long Distance, Inc. ("CBLD") filed a tariff wherein it proposed to offer a new service called Travel Link which allows subscribers to access CBLD via 950 access or via an 800 number. CBLD proposed that the filing become effective on and after October 15, 1992.

The Commission suspended the proposed tariff by Order dated October 15, 1992. Pursuant to KRS 278.190, the Commission determined that further consideration was necessary in order to determine the reasonableness of the proposed tariff filing.

Travel Link subscribers who access CBLD via 800 access will incur a surcharge, while those using 950 access will not incur the surcharge. However, 950 access will be available within CBLD's direct serving area, while 800 access is available in order to allow Travel Link subscribers to obtain access outside of CBLD's direct serving area.

Having reviewed the tariff and being otherwise sufficiently advised, the Commission finds that CBLD's proposed Travel Link tariff is reasonable and should be approved.

IT IS THEREFORE ORDERED that CBLD's proposed Travel Link tariff be and it hereby is approved.

Done at Frankfort, Kentucky, this

15th day of January, 1993.
